

# Solar container battery control board

A solar container--a shipping container powered by solar panels, batteries, inverters, and smart controls--can illuminate a village at a time. This is exactly how you deploy solar containers ...

The solar container can be used for short-term use at events, for longer use, for example over the summer months, or as a long-term solution. To cover the wide range of requirements, we make a ...

Our team has been hard at work creating the ultimate off-grid workspace solution - RPS tested Solar Containers to power our own offices for the last two years! Our 20 and 40 foot shipping containers are ...
