

Sungrow ups power storage

Munich, Germany, May 13, 2022 /PRNewswire/ -- Sungrow, the global leading inverter and energy storage system solution supplier for renewables, launched a host of new product offerings to energize ...

Hefei, China, April 25, 2024 -- Sungrow, the global leading PV inverter and energy storage system provider, released its annual report 2023 recently. The company attained unprecedented revenues ...

When the business first started, renewable energy was only in its infancy stage and therefore Sungrow could only make traditional established products rather than developing ones. It encountered obstacles due to the weather. The turning point came in 2002 when the Chinese government started a solar energy project to bring electricity to remote villages in Northwestern China. Sungrow participated in the project which allowed it to rapidly develop.

Hefei, China, June 6th, 2025 /PRNewswire/ - Sungrow, the global leading inverter and energy storage system supplier, announced the groundbreaking launch of its PowerTitan 3.0 EnergyStorage System ...
